## Entering the Piedmont Center and Parking

Piedmont Center has four driveways, labeled A, B, C and D. **Our building (15) can be accessed from B or A. We highly recommend entering from driveway B. This is the simplest route.**

## Entering from driveway B (recommended)

- On Piedmont Road at the second traffic light (opposite The Manor Apartments), turn right into driveway B. You will see this small sign (image 1).
- From driveway B, you will head under the arch straight toward building 14 (image 2).
- As you approach building 14, a sign will direct you to turn left toward building 15 (image 3).
- Building 15 has big white numbers in the center of a flower bed in front of the building (image 4).
- You can park anywhere on the open deck in front of building 15, as long as the space does not display a reserved sign. If there are no open spaces, you may also park in front of building 3 or 4.
